We welcome highly qualified, motivated and committed teachers to apply for a rewarding career opportunity. Hibarigaoka was established in 1949 with the notion that all students deserve a high-quality education. Currently at Hibarigaoka elementary school, students are enriched with a variety of experiences such as arts, calligraphy, ballet, music and English during their daily school schedule.

Hibarigaoka is renewing its efforts to empower students to communicate in English confidently and fluently. Students have several homestay opportunities over the course of 12 years. In the elementary school, students travel to New Zealand in the 5th grade. There they live with a host family while attending the local public school. The students come back with a wider understanding of what it means to be an International citizen.

Each English class is team taught by an International instructor and a bilingual Japanese teacher. Together the team guides the students through all four basic learning components of English- listening, speaking, reading and writing using tasks and content based learning when possible. If you are a teacher that loves

to research and invent new ways to excite the students towards reaching their goal of being an Internationally minded, lifelong learner, then we welcome your application to join our team of dedicated educators.

Currently, we are seeking teachers for the following positions:

April 2018 school year English language teacher.

This position includes team teaching with a bilingual Japanese teacher. Together with your teacher partner you will guide the students to increase their confidence to communicate in English. Experience teaching phonics synthetically is an advantage.
