1. 次の英文を読んで、あとの設問に答えなさい。

Anita was (A) and bored. There was no school for weeks. It was the summer holiday. Mum and Dad had to go to work, so she stayed at home alone. She watched television, then she played a game on her computer. She looked at the clock. It was only 11 a.m. Mum and Dad would not be home until 7 p.m.

It was hot in the house. Anita looked out the window. There was no one in the street. She left the house and walked down the street. She did not know where she was going, but it was better than sitting in the hot house. She walked through a small park.

Something ran by her. It was a small animal, a puppy. Anita followed it. The puppy was very (B). It had shiny fur and big brown eyes. She loved it. “Come here.” She held out her hand. The puppy stopped. He seemed a little (C), but he followed her. She picked him up and carried him home. He looked (D) so she gave him meat and some milk. He ate it all. Mum and Dad were not so (E) about the puppy. “Where does he come from?” Dad asked. “He might bite everything in our house!” Mum added.

Anita started to cry and said, “He can be my friend. I won’t feel (A) when you are at work.” Mum and Dad nodded. They knew how Anita was feeling when she was at home alone.

Anita named the puppy Lenny. Lenny changed Anita’s life. They ate, played, and watched TV together, and Lenny even slept on Anita’s bed.

Then suddenly one day, when she and Lenny were walking in the street, a young girl ran up to them. “Pinky!” Lenny ran towards the girl and was very excited. “Oh, I’ve been searching for you everywhere!” Anita stood and watched. Lenny seemed to like the girl as much as her. “Pinky was in the garden but went through the fence and got lost! I have been so sad since I lost him!”

Anita felt sad now. Lenny was her best friend, but he belonged to the girl, not her. “I’m Laura. Pinky looks so healthy and happy. Thank you so much for looking after him. He was lucky to find a kind friend like you.” Anita felt too surprised to speak. “Let’s go and have an ice-cream in the park and play with Pinky. I think we are going to be good friends and have a lovely summer together.”

Anita did not feel so sad anymore. She did not lose her friend [F] but found another friend [G] .
